

Christian Missionary Baptist Church

Youth Member of Month March 2014 Joi Christina Courtenay

Joi has attended Christian Missionary Baptist church since her birth. Pastor Robert Harper christened her at the age of six months. The christening was a grand occasion, especially to her God parents Darren and Valerie Shannon. Joi continued to grow spiritually and was baptized by Pastor Harper at the age of 11.

Joi is an 8th grade honor student at Kenwood Academy High School Academic Center. She plans to attend Lane Tech College Prep for the upcoming fall school year. Joi will continue her academic excellence as she enters Lane Tech's advanced placement program.

Joi's interests include: reading, singing, playing the piano, bicycling and dancing. She serves on several church ministries including the Combined and Junior Choirs, Junior Usher and Praise Dance Ministry. Joi not only serves her church, but also volunteers outside of the church and serves her local community.

We honor Joi as the youth member of the month and one of our very own. The members of Christian Missionary Baptist Church would like to encourage Joi to continue her walk with God and enjoy being a child of God. Joi's decision to follow Christ at a young age gives her the opportunity to have a longer journey with Christ than if she made that decision as an adult. Enjoy these days of being a young Christian! Thank you for being an example to other young Christians and a dedicated member of CMBC.
