### **Kasey & Keenan Howard**

Kasey and Keenan Howard are the children of Velvet Harris and the late Terrance Howard, the grandchildren of Antoinette Harris, the great-grandchildren of the late Rev. and Mrs. John Taylor, and the God children of Deacon Bobby & Deaconess Joyce Pate.

Kasey is a freshman at Morgan Park High School. She is presently involved with the ROTC and looks forward to being a part of the cheerleading team. Her present long term goal is to become a detective with the Chicago Police Department.

Keenan attends Edsmond Elementary School, where he is in the sixth grade. He enjoys participating in school programs, and was recently involved in a spelling bee at the school. His present long term goal is to become an engineer.

Kasey and Keenan are actively involved in Sunday School, the Junior Choir, the Junior Usher Board, the combined choir, and the youth ministry. They especially enjoy going on the summer trips with the Youth Ministry.

They both are fun loving individuals who love to swim, eat out, roller skate, bowl, attend movies, computer games and being the center of attention at family gatherings. They also attend the Morgan Park Boys and Girls Club after school program.

Both Kasey and Keenan are proud to be members of Christian Missionary Baptist Church. They appreciate the leadership of Pastor and Mrs. Harper and look forward to growing up spiritually and becoming future leaders in the church's ministry.
