Dyrell, Deja and Dierra Ashley**

Dyrell Ashley

Dyrell is the oldest of three siblings. He attends Percy L. Julian High School where he is entering his senior year. Dyrell has been ranked number one in his class since he entered high school. He is president of the National Honor Society, a member of the Science Club and an aspiring poet. Dyrell not only works hard with his school responsibilities, but he has the same determination with his church duties. He is a member of the Junior Usher Board, Mime Team, and Videographer Ministry. In the past Dyrell has written and directed Christmas plays performed by our Junior Sunday School Department. Dyrell is very dedicated to his family and truly enjoys helping his grandmother. Dyrell aspires to become a neurosurgeon.

Deja Ashley

Deja Ashley is the middle child of three siblings. At the beginning of the school year she will attend Phillips High School. Deja has been very active with youth ministries around the church, but she is currently taking a well deserved break. Outside of church, Deja is an example to other kids in her neighborhood. Deja enjoys taking younger children in the neighborhood to a local playground. Deja's goals are to become an artist and hairdresser.

Dierra Ashley

Dierra Ashley is the youngest of three siblings. Dierra is very active around the church. She is a member of the Youth Choir and Junior Usher Board. At the beginning of the school year, Dierra will enter her freshman year at A.C.E Technical Charter High School. Dierra enjoys reading, cooking and helping others. Dierra's desire to help others has inspired her to become a doctor.

The members of Christian Missionary Baptist Church would like to encourage Dyrell, Deja and Dierra to continue their walk with God and service to others. Their decision to follow Christ at a young age gives them the opportunity to have a longer journey with Christ than if they made that decision as adults. Thank you for being an example to other children.
