Tatiana & Kharunissa Green

Tatiana V. Green

Tatiana V. Green was born to Gloria Gregg and Willie Green. She is a Christian who truly enjoys attending church. When Tatiana first joined Christina Missionary Baptist Church (CMBC), she was baptized by Pastor Harper and immediately became interested in joining the Junior Ushers. Once she joined the Junior Ushers, her peers voted her to the office of Secretary. Not only was she secretary of the Junior Ushers but she also assists Deacon William Dixon with the video recording of our services.

Tatiana is a junior at Team Englewood where since her freshman year she has made the honor roll every semester. During her sophomore year she received an award for ranking within the top 10 students of her class. Although, Tatiana is well-rounded student her favorite and strongest subject is Mathematics. Team Englewood's teachers recognized her ability to learn at a fast pace and selected Tatiana to tutor her peers. Tatiana's success goes beyond academics; she is also a scholar-athlete. She is a member of the Ladies Eagle track team and plays the clarinet. Her future goals include attending a college within the state of Illinois but not in the city of Chicago and major in education. Therefore, she is taking advantage of two college prep programs, After School Matter and Rise and Shine Sports, offered to Team Englewood students. Being a scholar-athlete at the college level is challenging and the programs prepare her for what will come in the future. Like most young adults Tatiana likes to enjoy herself outside of church and school. Aside from running track and cheerleading, she enjoys computers and watching movies. Tatiana also spends a lot of time with her family and friends. She loves going to the movies, shopping and out to eat. Visiting her grandmother's house and challenging her sister Kharunissa to dance-offs are frequent occurrences.

Kharunissa N. Green

Kharunissa N. Green was born to Gloria Gregg and Willie Green. She is a Christian child who truly enjoys attending church. Kharunissa also serves a junior usher and attends Sunday school.

Kharunissa is a freshman at Team Englewood. Following the footsteps of her older sister she is currently an honor roll student earning all A's her first semester. Kharunissa is out-going with a vibrant personality and loves to try new things. Although, many think Kharunissa would do exactly as her big sister, Tatiana, she has her own way of doing things. She is a part of the Ladies Englewood track team and also enrolled in the ROTC program. Currently, she is auditioning to join the dance team. Kharunissa's favorite subject is reading. She absolutely adores children and babysits on weekends to earn a little cash. Kharunissa is so fond of children she wishes to become a teacher.

Outside of school and church, Kharunissa spends most of her time with family. Kharunissa interests/hobbies are computers, playing games, learning the guitar. She has a love for music and singing. Kharunissa could spend days singing. Currently, she is interested in learning how to play the acoustic guitar. When she isn't singing, dancing or playing the guitar she loves going to visit different relatives particularly, her little cousins.
