Youth Member of the Month March 2015 Peyton Culpepper

Peyton Culpepper is 7 years old and in the second grade. She attends Kwame Nkrumah Academy which is an African Charter school. Peyton enjoys learning about her culture and heritage.

Peyton is the oldest daughter of Aisha Shannon, the great granddaughter to mother Myrtle Meeks. Peyton was christened by Pastor Harper when she was 3 months of age at CMBC. It was important to her family that she received a strong Christian foundation.

Christian Missionary Baptist Church

Peyton is a very outgoing, passionate and creative child who loves Jesus. Peyton enjoys helping people in any way she can, she also loves to sing and dance.

Peyton was diagnosed with a rare autoimmune disorder in July 2014. During her 3 month stay in the hospital she sang her favorite songs she learned while in the junior choir at CMBC. Although this was a difficult time for her, she often reminded us how strong and brave she was due to Jesus' love for her.

The members of Christian Missionary Baptist Church would like to encourage Peyton to continue her walk with God and enjoy being one of his children. Peyton's decision to follow Christ at a young age gives her the opportunity to have a longer journey with Christ than if she made that decision as an adult. Remember that your illness was temporary, but your testimony will be with you forever. Tell others what God has done for you and will do for them; only if they believe and accept him into their hearts. You are living proof that God continues to perform miracles. Enjoys these days of being a young Christian and keep on singing!
